

# Extension of Assessment

Extension of assessment is granted, with no penalty on grade, in exceptional circumstances, and depending on the mode of study.

Reasons for extension may vary from health, personal or work reasons. Evidence is usually required such as a doctor's certificate.

Please note that in some courses – e.g. Diploma or higher – there may be limited ability to grant extensions due to date restrictions imposed externally to TAFE Gippsland's own procedure.

Refer to Assessment Policy & Procedure for details of Extension of Assessment.
